LOGLINE

Two rival pastry chefs must learn to work together to confront a ruthless flour supplier known as 'The Gatti Family' to save their family bakeries

Synopsis

French baker, Emilie struggles to keep her family's bakery afloat.

Liu Bao faces similar challenges with his family's Chinese bakery, both under threat from the Gatti Family mafia.

Their paths cross as they confront this common enemy. Emilie tries to innovate with gluten-free pastries, while Liu battles to uphold his family's baking heritage, both strained by mafia dominance.

Emilie and Liu join forces, leading to an unexpected, cooperative effort against "The Gatti" and save their bakeries.
