# HIT NANNY

## LOGLINE

*When a hitwoman on the run starts a new life as a nanny, she must hide from her employer while caring of an annoying 12-year-old girl.*

## SYNOPSIS

*Ukrainian assassin Stefania is seeking a change from her perilous lifestyle. She inadvertently becomes a nanny for Olivia, a mischievous child struggling with her mother's loss.*

*As Stefania balances her covert Twitch streaming passion and dangerous past, she forms a unique bond with Olivia, confronting familial obligations and her own moral compass.*

*When her past resurfaces, endangering everyone she's grown to care for, Stefania must navigate treacherous waters to protect her new family and confront her own identity, blurring the lines between protector and assassin.*
